

RED

Delight

Discover the new generation of chocolate. We reduced calories and decreased fat. Pleasure, without the guilt! Let your passion for chocolate be a delight.

up to **50% less calories***

16 kcal

Great taste and healthiness are our main priorities and we refuse to compromise on these.

OUR NATURAL INGREDIENTS:

RED – is designed using an all-natural zero calorie sweetener known as melon sugar. **Erythritol** naturally occurs in melons, grapes and other fruits.

RED – is designed using all natural **polydextrose** which is rich in food fibers and helps in digestion.

RED – is designed using all natural **Maltitol** which is in many fruits and vegetables.

RED – is designed using all natural **stevia** from the **stevia** plant with zero calories.

SIZE DESIGNATION:

*50% less calories and 44% reduced fat compared with regular dark chocolate with nuts. Not a low calorie food.
